**SEPTEMBER 17 - 20, 2026**

501(c)3 non-profit organization

Hello,

We are the team behind the annual Phoenixville Film Festival, a 501(c)(3) nonprofit organization dedicated to celebrating independent cinema and modern storytelling. The upcoming Phoenixville Film Festival will take place at the historic Colonial Theatre from September 17–20, 2026. Over four days, the festival will feature film screenings, filmmaker and industry panels, special events and after-parties, and an awards ceremony to close out the weekend.

Our mission is twofold: to bring independent film fans and filmmakers together to connect and collaborate, and to showcase films across a wide range of genres and perspectives. Stories told through many lenses, pun fully intended.

As independent filmmakers ourselves, our team has a deep respect for the creativity, dedication, and effort required to bring a film festival to life. Much like making a film, producing a festival requires vision, collaboration, and a genuine love for the craft and the industry.

Our most recent festival in 2025 reached new heights and marked another major milestone for Phoenixville Film Festival. The event welcomed more than 900 attendees over the course of the weekend and drew film lovers from across the U.S. and abroad. Audience members traveled from countries including Canada, France, Germany, and Ireland, highlighting the festival's growing international reach. Film submissions represented 19 countries, turning Phoenixville into a true hub for global storytelling and creative exchange.

To continue building on this momentum, we rely on the support of sponsors and community partners. We invite the Phoenixville community to play a meaningful role in elevating our local cultural landscape. Sponsorship opportunities range from financial contributions to in-kind support, including the use of local services and event spaces to help enhance the festival experience for our guests.

Please review the remainder of this packet to learn more about sponsorship opportunities and what the festival offers in return. Thank you for taking the time to learn about Phoenixville Film Festival. We hope you will consider joining us in bringing this event to life. Questions are always welcome, and we would be happy to continue the conversation in person, by phone, or via email.
